## VICE PRESIDENT'S REPORT

As President Jim King is still away on an overseas cruise, he missed out on a great day at Amstel which was attended by 34 golfers.

We played a 4 Ball Best Ball draw which provided some interesting groupings. I personally had a great day drawing Brad Carver, Keith Price and John Cramer all of whom played fantastically until after the 9th hole when they came back with 4 cans each (it was not cola) which lasted 2 holes; therefore the last 7 holes were a little merry. But I am sure other groups were similar to us.

A fun day was had by all.  
Our Club is going great with a big welcome to 4 new members in 2010.

Our Treasurer, Cameron Leavy needs your annual fees ASAP.

Hope to see you all at Sunshine Golf Club next month.

Noel Tuck

### GOLF TIPS:

Don't buy a putter until you've had a chance to throw it.

When your shot has to carry over a water hazard, you can either hit one more club or two more balls.

If you're afraid a full shot might reach the green while the foursome ahead of you is still putting out, you have two options: you can immediately shank a lay-up or you can wait until the green is clear and top a ball halfway there.

The less skilled the player, the more likely he is to share his ideas about the golf swing.

No matter how bad you are playing, it is always possible to play worse.

A golf match is a test of your skill against your opponents' luck.

It is surprisingly easy to hole a fifty foot putt . For a 10.

It's not a gimme if you're still away.
