

PRESIDENTS REPORT – February 2012

Moonah Links:

From all reports a great day was had by all at a amazing golf course. A special thank you to David Parker who was able to organise the course at such short notice. David has also been able to arrange the course again for next February. For future reference if you are not sure on a rule for Ambrose please speak to Dave Duncan to get clarification.

"There are no official rules for Ambrose and every club / organization devise their own set to suit themselves. To avoid confusion I will have a printed version of 'NSGC Ambrose Rules' for our next Ambrose outing at Cape Schanck" – DD.

Monthly Outings:

Can all members please make a special effort to be at the first tee 20 min prior to our tee off times. Dave Duncan puts in a lot of extra work to arrange groups the least we can do as members is make his life easier and be on time.

Shave for a cure:

For those of you who are unaware (which i am sure won't be many) Brett is starting to thin out on top and has decided he will shave his golden locks for a good cause. At the Kingston Links outing we will be taking donations for the Shave For A Cure charity and will be shaving Bretts head. We are asking that all members to make an effort to donate as all proceeds are going to a good cause.

Next Outing:

The March outing will be held at Kingston Links on the 18th of March at Kingston Links. Tee off is at 8.00am so if all members and visitors can be organised and on the first tee no later that 7.40am so we can keep the day moving.

Adult \$55 Juniors \$35 (No golf guide discounts)

Membership fees are now due and can be paid to Cameron Leavy. If you would like to make arrangements to pay in instalments please see Cameron.
