

## **NSGC PRESIDENTS REPORT MAY 2012**

### **ST ANDREWS OUTING**

Another great course on the NSGC syllabus and from all reports a great day had by all, especially John V who had his first win with the NSGC; and was the only player in the field to play to his handicap or better.

Thank you to all who helped make the day run smoothly, a special mention to Steve Hallam for arranging all the BBQ meat and Michael Dungey and Adam Mott for cooking.

Also, a big thank you to **Sportsmart Moorabbin** for their kind donations on the day.

### **QLD- ASGC**

The Australian Social Golf Championships are on again this year. It looks like once again we have a good number going. If you would like to attend, please click the link below for more information. Please note that the Early Bird offer ends June 30, so get in quick if you want to go.

### **AGU- UPDATE**

With the demise of Golf Access, all members are required to join an alternative group to preserve their insurance and handicap.

As you know, there's still a lot of uncertainty about what the best options are for us and our members.

At the present time, the Club does not have access to all member information, so all players at Flinders will be required to sign a disclaimer notice.

We hope this is a "one-off" and the issue will be resolved by the following outing and your understanding is appreciated.

### **NEXT OUTING**

The next outing will be held this Sunday at Flinders. **Please note the tee-off time has been bought forward to 8.00am.** As Dave has already communicated, we have numerous tees and will be doing a shotgun start. Please make sure you are at the course early enough to walk to your starting hole.

Hope to see you all there.
