

NSGC PRESIDENTS REPORT – November 2013

General items

2013 is coming to an end and with that in mind there are few items that members need to be aware of.

Can all 2012 perpetual trophy winners please return trophies at the Warragul outing. If you are not playing, then please contact me directly on 0413 072 199 to arrange collection.

Presentation night is on the 23rd of November and the Warragul outing will be the cut-off date, should you wish to cancel out. Any members who cancel after that date, **will** forfeit their fee deposit. Dress code for the night is jacket and tie.

All sold and un-sold raffle tickets are to be returned to Phil Mott at the Warragul outing. If you have sold out your current book and require another book, please call Phil on 0413 131 304.

Slow play again has been bought up after our last outing at Mornington. Can all members please play ready golf and walk quickly between shots, as 5.5 hours to play 18 holes of golf is too long. The lowest handicapper in the group is responsible for making sure that the group moves along.

The club still has some club shirts available to buy. They are \$25 each and can be arranged by Phil. Please contact Phil or me to arrange sizes.

November Outing

Next outing will be at Warragul on Sunday the 10th of November. Hit off will be at **8am** and we will have a 2 tee start. Please be aware at the completion of the day results, the club will be having its AGM. Please see the email Richo sent around with all the information.

I look forward to seeing you all at Warragul.
