Hi Guys,

Just a bit of feed back and results from Sunday.

Firstly, for those playing Gardiners Run for the first time, I hope you enjoyed the track (when you were not in the rough). In my opinion we can go back there again (just don't order a hamburger!!\$\$\$).

Secondly, a bit disappointing, but the response after being asked only 5 minutes prior, to go and let Justin know whether you will be attending the Presentation Night was shocking.

The number of you, that after sitting a few meters away from him, couldn't be bothered to get off your butt and go and say "yes I'm coming, or no I can't make it" appals me. Seriously.

Could all of you who have not yet let Justin know whether you will be gracing us with your presence or not please do so ASAP.

NB : Committee work is voluntary, and everything we are trying to do is for your benefit. Please show some respect and good manners and respond.

Justin's email address is : justinp@barrybourke.com.au

Next a few 'get well' notifications.

Jim - after falling down in the shower and ending up in ICU for a week.

Rob Mc - hernia repair.

Best wishes and a speedy recovery to both of you from all of us.

Welcome to our visitor for the day, Gregory Fry, hope we see you again some time.

Now for the day's results.
